

*“Formby Hall Golf Resort and Spa is one of the newest golf facilities at the heart of England’s Golf Coast. It has built an enviable reputation, not only for its two golf courses, but for its PGA National Residential Golf Academy and its luxurious 4-star hotel. Hewn from marshland, this fine 7,081 yard course is an altogether different proposition to the many traditional links in the area. Formby Hall’s 18-hole lay-out features a series of testing holes protected by water and well-placed-bunkers. Water, in fact, can be found on 16 out of the 18 holes.”*
