

Junior Academy

Formby Hall Golf Resort & Spa is an affiliated Junior Golf Foundation starter centre, set in a safe and fun environment where young golfers can learn the "game of a lifetime".

Formby Hall Junior Golfer Development Programme

In association with Young Masters Golf, this programme has been created to provide the young golfer with the best possible start to their golfing career. Ideally suited for juniors aged six to sixteen, receiving instruction on all key areas of the game, each junior will have the chance to reach different skill levels. Development can then be monitored with each child having their own personal golfer's folder. Junior's & parents are then invited to a specially organised presentation evening following each 8 week course. The long-term objective of this programme is to develop a successful breed of young golfers and potential future champions. Places are limited and are allocated on a first come first served basis.

Kids golf days & Summer Camps

Taking place during school holidays, our one or two day kid's golf camps offer juniors of all abilities the chance to discover the essential ingredients required for a good all round golf game. Juniors can take part in a golf quiz and team or individual competitions with prizes for all. Dates and full itinerary's to be posted on website, junior and academy notice boards. To register your interest call the Academy on 01704 875699 or visit us and complete an enquiry form, our academy junior organiser will then contact you.

Specialist Workshops

Throughout the season we will be holding specialised workshops hosted by leading sports experts including Mind Coach Dr Karl Morris whose list of clients includes Darren Clarke, Lee Westwood and Graeme McDowell. These specially organised events are designed to add extra dimensions to your approach to golf and your ability to lower your scores. The first workshop will be staged on Monday 23rd March 09, for further information please contact the Pro Shop.

Additional Academy Facilities:

- 26 bay floodlit, weather proof driving range
- Custom-fit service by leading manufacturers including Callaway, Titleist & Ping

Golf
Instruction

Situated in the Heart of England's Golf Coast, Formby Hall boasts an impressive learning centre which has been created to help both beginners through to established club players and elite competitors develop their skills and improve their golf.

You've always heard that sound fundamentals are essential in the pursuit of playing more satisfying golf. Now find everything you could possibly ask for to improve your game at the PGA Golf Academy

Individual Private Tuition

One on one lessons are structured to allow you to focus on your individual needs and are available to all levels of golfer and age.

Our instructors will assess your strengths and weaknesses before prescribing the correct programme to help you achieve your goals. Individual tuition at Formby Hall offers the opportunity for any serious golfer to embrace the latest golf swing technology supported by some of the North West's most experienced instructors.

Course Tuition

The perfect way to take your swing improvements to the course or to refine your course management skills. Whether it's sharpening your mental edge fine tuning your or shot selection options, course tuition allows your PGA instructor to supervise you in action and use their experience to help you shot lower scores.

Complete Golf Analysis

Complete Golf Analysis is a comprehensive consultation session designed to provide the serious golfer with the ultimate personalised game assessment. Involving a long & short game performance evaluation the 2hour programme also includes a full swing mechanics review and detailed motion analysis report. C.G.A. gives golfers access to cutting edge technology previously only available to elite squad amateurs and tour professionals. On

completion you will discover precisely where your strengths and weaknesses lie and where improvements should be made.

Start 2 Play

Making your first view steps in golf can appear daunting. Our coaching staff have the experience to help you feel at ease in an environment that lends itself to learning new skills.

You will discover what each club is designed to do, how to hold the club and stand to the ball and how to develop a golf swing built around sound fundamentals.

PGA Golf Academy

Start 2 Play Level 1 Group Class

4-week group course, Informative and rewarding group class ideally suited for anyone new to the game or looking to take instruction for the first time. Learn how to build a swing in a relaxed group format. Discover golf's fundamentals and unlock the keys to longer and straighter golf shots

PGA Golf Academy

Start 2 Play Level 2 Group Class

Ideal follow up to the level 1 course for the improving golfer. Including swing analysis this effective 4week course will help you discover the keys to playing more consistent golf and help develop important scoring and shot making skills required to put together a respectable round of golf. You will also learn how to recognise and correct common faults.

Professional Coaching Staff

Alongside the impressive practice facilities, our dedicated team of PGA qualified AA professionals utilise the latest cutting edge analysis technology to ensure that golfers of every level have the opportunity to understand and improve each aspect of their game. Our full time PGA qualified instructors blend years of experience of studying thousands of swings, researching different teaching styles and attending PGA advanced coaching seminars to help deliver first class instruction.
