DRESS

Always bring a swimming costume or even two if you would like a dry one to change into, and we will provide a towel, robe and slippers. If you are staying in the hotel and would like to use the facilities prior to checking in at 3pm we advise that you bring a bag for the spa along with your overnight bag which we can safely store for you. Don't forget we also have an excellent gym and an extensive class exercise programme if you wish to bring your gym kit and your trainers. Alternatively, like many of our guests, bring along a good book to lose yourself in.

TREATMENTS

We would advise that you arrive at least 30 minutes prior to your first Spa treatment to allow sufficient time to check in, change and familiarise yourself with the Spa. As a courtesy to all our guests we do operate a prompt appointment schedule. A late arrival may mean that your treatment time is reduced.

CONSULTATIONS

All of our treatment times include a full consultation lasting 5 minutes. As we want you to have the best possible experience.

AGE

The minimum age requirement to have spa treatments and use our spa, poolside and thermal experiences is 16 years old. (Children's swim times in the pool are from 9am - 10am and 4pm - 5pm.)

IF YOU ARE PREGNANT OR SUFFERING OR RECOVERING FROM CANCER

It is especially important that you let us know in advance of your stay if you are or may be pregnant, or if you are suffering or recovering from cancer, so that we can advise on what facilities are safe to use.
