PAUL WILLIAMS

PGA ASSISTANT INSTRUCTOR

Paul started playing golf when he was 11 years old and always had a huge passion for the game. By the time he was 18 he was playing off a scratch handicap and turned professional off a plus handicap. He now relishes in sharing his passion with fellow golfers whether they are complete novices or accomplished golfers. He has found a real desire to help golfers improve, from Saturday morning junior academy coaching right through to top level golfers. Using state of the art technology mixed with his lively enthusiastic delivery. Paul is currently undergoing his training to become a fully qualified PGA Professional.
