

TFA Tournaments.

Regular Competitive golf is a central part of our programme and is geared to give every golfer a chance across 4 categories. 3, 6, 9 and 18 hole competitions. Some of our golfers never play in a competition. That's fine too. If you just want to play for fun, you are also welcome to learn at Tommys Academy.

Holiday Golf Camps.

We offer a variety of Golf Camps throughout school holidays. These range from a full day of golfing fun, games, coaching and/or play in the course/competition to Tournament days with a morning of Tour Level prep and analysis prior to an afternoon of tournament play and trophies.

Programme Structure.

Our coaching programme is spread across 9 stages and runs in 6 week blocks, throughout school term time.

Each pupil will receive a Tommy Fleetwood bag tag. On the reverse of the bag tag there are 12 icons that represent the subjects to be covered in our lessons. During the coaching, the pupils will collect stickers for achievements and passing and completing the tasks. Tommy himself competes on The European and PGA Tour with the exact same bag tag on his bag

Each child will progress to the next level on a set number of holes completed in an average of 4 strokes per hole.

This level of scoring will indicate the colour of tees to be played from in our TFA tournaments.

PRICE LIST

6 week TFA Programme £65

Holiday camps £40 per day (5 hours)

Tournament Camps £50 per day (5 hours)

TOMMY FLEETWOOD academy

Junior Programme

Hi everyone and welcome to my first ever Golf Academy at Formby Hall in my hometown of Southport.

It's always been a dream of mine to be able to give juniors in the area a chance to start golf.

This programme at the academy gives them the opportunity to do the drills and challenges that I did as a young boy, giving me the basics to take me to the level that I am at today.

Here at The Tommy Fleetwood Academy we offer a structured programme of coaching for junior golfers of all abilities. Our programme is designed to give children of all abilities aged from 4-16 a solid introduction to golf, from beginner through to international competitive level. The classes are divided along age and experience lines. They offer the opportunity to learn a game for life: either just for fun, or right through to the highest level of competitive junior golf.

Throughout the programme we draw inspiration from Tommy's fantastic swing. Regarded by many knowledgeable observers and his peers, as one of the best golf swings in the world. We have benefitted greatly from Tommy's technical advice in the creation of the programme and we are modelling our golfers swings on Tommy's metronomic, repeatable and long hitting technique.

Tommy has even been known to join in our class challenges when passing by!!! His unique insights and easy manner with children make the special days when he shows up, live in the junior golfers minds forever!

Classes run every day of the week, weekends and after school

Norman Marshall was my first coach, his ability to teach golf whilst having fun is unique and I hope that you all enjoy his teaching methods. The methods, techniques and disciplines required in golf are all taught competitively and fairly, I'm sure you will all enjoy it like I did.

Good luck and thank you for being part of my dream. Hopefully see you out on Tour one day who knows?!

Keep working hard!
